Disclaimer:

This is a copy of our current set list. The Flashbacks Show Band song list is constantly evolving and individual songs are added and drop off, based on previous audience response. There are "NO GUARANTEES" that all of the songs on this list will be available for your event. We do our best to maintain consistency from song list to song list by genre (e.g. Motown, Pop, Rock, Disco, etc...), but song lists are subject to change at any time, without notice to the client. "Any" special requests relative to this song list "MUST" be discussed 60 days in advance of your event. Every effort will be made to accommodate your requests for your event, but again there are "NO GUARANTEES."

The Flashbacks Show Band is not a service like a DJ service and the client can't expect to build a tailored set list specifically for their event. When choosing songs, we suggest that you have three categories of songs. 1) Songs that you would like to have played; 2) songs that you are indifferent about; and 3) songs you absolutely don't want played (you can delete up to 10 songs off of the list). Again every effort will be made to accommodate your list of songs, but there are "NO GUARANTEES."

Specialty songs such as bride/groom dances, etc... are handled on a case by case basis and are not a part of this disclaimer.
